We're hiring! HODGE is seeking a Warehouse Specialist!

What You'll Do

- **Floor Work Direction:** Assist in the allocation of tasks to warehouse staff. Ensure that work is performed efficiently and in accordance with established procedures. Collaborate with supervisors to prioritize tasks and meet production goals.
- **Subject Matter Expertise:** Develop in-depth knowledge of warehouse processes, inventory management, and material handling.
- Mentorship: Provide system and process guidance and training to stakeholders and peers, fostering a culture of knowledge sharing to ensure seamless integration of warehouse processes and tools.
- **Collaboration and Optimization:** Partner with cross functional teams to continuously assess and update training and standard operating materials to reflect best practices and industry standards.
- **Safety:** Ensure a safe working environment by upholding safety protocols and promoting a safety-first culture among all employees.
- **Demonstrate HODGE Values:** Model HODGE core values of Family, Integrity, Ambition, Respect, and Balance. Uphold, support, and promote all company policies and procedures. Demonstrate that success comes from treating people like family.
- Additional Duties: Perform tasks as assigned to support dynamic changes in business conditions.

Qualifications: To perform this job successfully, the Warehouse Specialist must be able to perform each essential duty satisfactorily. The following requirements are representative of the minimum knowledge, skill and ability required.

Education/Experience:

- Strong communication and interpersonal skills.
- Attention to detail and excellent organization skills.
- Commitment to promoting a positive workplace and safety-first culture.
- Basic proficiency in using warehouse management software and Microsoft Office Tools.
- Experience in warehouse operations.
- Experience with or willingness to learn the use of material handling equipment a plus.

Your future starts here! Apply now and join our team at HODGE.

Apply HERE

Production Associate (1st Shift, 7:00am-3:30pm) Grace Technologies Davenport, IA

What You'll Do

You will perform all aspects of production, including picking parts, assembly and kitting, packaging, prototyping, quality control and inspection, general clean up, and inventory organization. Additionally, you may perform various duties to assist in the efficient operation of the company. Specifically, you will:

- Use Bill of Material (BOM) to build orders to specifications (from single piece orders to large quantity orders), monitoring orders for quality and errors in BOMs.
- Solder production and prototype components with an emphasis on printed circuit boards.
- Perform multi-faceted work that is necessary to build, assemble, inspect, test, calibrate, diagnose, analyze, troubleshoot, repair, replace, modify, and program a variety of products and product lines.
- Use a variety of equipment, including hand and power tools.
- Utilize company computer systems (including Microsoft Office, ERP, WMS, and Shipping) to process orders and maintain inventory.
- Other duties as assigned.

What You'll Need

- High School Diploma / GED.
- 2-3 years of manufacturing experience.
- Working knowledge of Microsoft Office including Outlook, Excel, and Word.
- Good teamwork and communication skills
- Able to apply common sense understanding to carry out detailed written or oral instructions.
- Able to reason through and solve issues that may arise in production.
- Reliability and punctuality.
- Physical Demands: The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The employee is regularly required to make precisely coordinated movements with hand(s) and arm together to grasp, manipulate, and assemble. The employee is frequently required to stand. The employee is regularly required to walk, sit, reach above shoulders, stoop, kneel, or crouch; and talk or hear. The employee must frequently lift and/or move up to 50 pounds.

Welder

The City of Davenport is hiring a Welder starting at \$27.33/hr!

Salary: \$27.33 - \$33.17 Hourly Department: Public Works

Location: Davenport, IA Opening Date: 10/08/2025

Job Type: Full-Time Closing Date: 10/22/2025 11:59 PM Central

Job Number: 1972 Union: Teamster

Under general supervision performs work of moderate difficulty as a skilled welder; and performs

related work as required from assigned division and supervision.

Examples Of Duties

Welds a variety of metal parts to specification using electric (Metal Inert Gas Welding (MIG), Tungsten Inert Gas (TIG), Shielded Metal Arc Welding (SMAW) and Plasma cutter) or oxy-acetylene torch cutting, selects correct temperatures and fusing materials for metal, heats metal with welding torch to melt and fuse metals, welded edges with grinder.

Repairs and fabricates parts for heavy equipment, trucks, automobiles, shop facilities or other municipal structures.

Assists in general automotive, building and facility systems repair, estimates time and materials required to make equipment repairs and modifications, interprets and follows specifications and diagrams in fabricating parts and modifying equipment.

Perform other miscellaneous tasks, as supervision deems necessary.

Qualifications

- Must possess a high school diploma or GED equivalent.
- Successful completion of trade school training in the use of oxy-acetylene and SMAW, MIG
 and TIG welding equipment, and two years of responsible welding experience; or an
 equivalent combination of training and experience.
- Experience with and knowledge of American Society for Testing and Materials (ASTM) and American Iron and Steel Institute (AISI) standards for steel, aluminum and stainless steel required.
- Must possess a valid driver's license upon application, obtain a Commercial Driver's License permit (CDLP) with air brake endorsement within 30 days of appointment and

- obtain a Class B Commercial Driver's License (CDL) with air brake endorsement within 90 days of appointment and maintain throughout duration of employment.
- Must possess personal tools.
- Must pass a physical examination and background check as prescribed by the City of Davenport. All CDL personnel are subject to Federal Motor Carriers Random Drug & Alcohol Program.
- Must reside in Iowa or Illinois within two (2) years of hire and maintain residency throughout the duration of employment.

Knowledge and Skills

Considerable Knowledge of:

- Assembly, maintenance and operation of acetylene and all electric welding equipment.
- Kinds of welding rods and flux to be used with different kinds of metal.
- Techniques of welding metals of various thicknesses and uses.
- Manually guides electrode or gun along weld line, maintaining movement to form specified depth of fusion and bead, as judged from color of metal, sound of weld, and size of molten puddle.
- Occupational hazards and safety precautions.
- Preheating methods and techniques required to avoid distortion of metal surfaces, structures, and piping.
- Properties of various ferrous and non-ferrous metals in relation to welding and brazing, such as their reaction to heat, fusing qualities and proper temperature for welding, cutting and brazing.

Considerable Skill in:

- Identifying various commonly used metals.
- Operating and using the acetylene torch and electric arc welders, and completing sound uniform welds of various metals.
- Operating a variety of power tools used in connection with fabrication and repair of metal structures and equipment. (overhead crane, forklift, Hydraulic Iron worker and Mill)
- Following written and verbal instructions.

Working Skill in:

- Preparing estimates of materials and supplies required for proposed fabrication and repair.
- Interpreting drawings and specifications and preparing sketches of proposed projects.
- Making minor repairs in welding equipment.

Some Skill in:

Estimating temperatures by the color of heated metals.

Now is the Time to Invest in Yourself and Your Future!

American Job Center Wants to Help Cover Your Tuition Costs! Attend an Informational Session Today to Learn More!

ABOUT US

What is the Workforce Innovation and Opportunity Act (WIOA)?

The Workforce Innovation and Opportunity Act (WIOA) helps job seekers succeed in the labor market by providing access to employment, education, training, and support services while matching employers with the skilled workers they need to compete in the global economy.

Information Sessions are held Every Tuesday at 9:00 AM at the American Job Center 500 42nd Street, Suite #6, Rock Island, IL. 61201

Contact us at (309) 429-6429 or email opportunity@americanjob.center for guestions or to find out more information.

The Illinois workNet Center System, an American Job Center, is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. All voice telephone numbers may be reached by persons using TTY/TDD equipment by calling TTY (800) 526-0844 or 711.

HOW WE CAN HELP YOU

WIOA Grant Funds Can Help Pay For:

- Tuition, Books & Fees
- · Uniforms, Equipment and /or Tools
- Testing, Licensing, & Graduation Fees
- Other Required Costs needed to complete training or college

TRAININGS
